Gefährtes und Kameradin,  
Landsmanns und Mitreisendes,  
Fellow Kanadier Nachkommes:

As you know by now, the secret of our glorious origins in der Fatherland has been leaked to the general Kanadien public. No matter. Our propaganda machine and friends in the National Security Apparatus are such that it matters not that this truth has finally been sprung on the hapless buffoons in the Kanadien public.

Our master plan calls for a massive mobilization so we may once again rule the verdammit nation that bombed our ancestors to smithereens 75 years ago. Our marionettes have already usurped power in several provinces – Ontario, Alberta, Saskatchewan, Manitoba and New Bruntsdocht. From these grundungs we are well positioned and poised to seize the moment by launching our most massive propaganda blitzkreig in all of our long Kanadien history! Just like Ronald Reagan in Amerika!

So gird your loins, fellow warriors! We must stomp the Kanadien fools with the jackboots of our relentless propaganda (talking points will be issued) until they give up and put us back in power this Herbst.

Der land auf der biber is soon to be ours once again! Heil Scheer! Heil Kenney! Heil Moe! Heil Ford! Heil all the rest!
